

This is the fifth in an “occasional” series of articles highlighting the work being done by the charities supported by the **Stone Canyon Community Foundation**. Please take a minute to learn how your donations to the SCCF are being used by **The Easter Seals Blake Foundation**.

## **IT'S ALL ABOUT THE KIDS.....Zeniada's Story**

Zeniada, a single mom and high school student, does not work and doesn't receive any child support. She has been on the waiting list for the State-funded (DES) child care subsidy since May 2009.

She enrolled Julian in the **Children's Achievement Center of the Easter Seals Blake Foundation** when he was 12 months old. If it were not for the grant provided by the **Stone Canyon Community Foundation**, Julian would

have been withdrawn from the program and it is very likely that Julian's mom would not have been able to return to school.

Zeniada is a senior and anticipates graduating in May 2011. Julian has been able to experience quality child care which has contributed to his positive development and his readiness for future learning.

This is the third year that the **Easter Seals Blake Foundation** has received a grant from the **Stone Canyon Community Foundation**.
