Board of Directors  
Stone Canyon Community Foundation  
Oro Valley, Arizona 85755

Members of the Board,

On behalf of the Community Foundation for Southern Arizona I want to congratulate you and all of the donors of the Stone Canyon Community Foundation on a fantastic start. Your generosity is making a real difference in our community.

Giving away nearly \$100,000 in your first year is truly a milestone, but it was the way you did it that impresses me most. You have created a thoughtful, effective grants process that actively involves many volunteers. You have partnered with great organizations and have enabled many people to learn more about what makes Oro Valley, Tucson and Southern Arizona such a great place to live.

The Stone Canyon Community Foundation, a fund of the Community Foundation for Southern Arizona, has much to be proud of. It is an honor to house the fund here at our foundation and we hope you have gotten as much out of the relationship as we have.

Thanks for working with us, and again, congratulations.

Sincerely,
